Kuala Lumpur, 15 September 2021 - Wong & Partners, a member firm of Baker McKenzie International, has won the Malaysia Firm of the Year at the Euromoney Women in Business Law Awards Asia 2021. This is the fifth time the Firm has taken home this coveted award, after winning it for four consecutive years in 2016, 2017, 2018 and 2019.

"Our Firm is proud and grateful that our efforts at strengthening our structures that create an inclusive, diverse and safe workplace for all our team members has been recognised. This Award serves as a validation of our efforts and will spur us on to continue making meaningful improvements to our policies, particularly those which support the ambitions of our large force of women team members," said Managing Partner Munir Abdul Aziz. "Of course, there is much work to do, particularly as we continue to grapple with the ongoing impact of the pandemic and we will work resolutely towards building a more inclusive and diverse Firm.

Kherk Ying Chew, the lead partner of the firm's Inclusion & Diversity committee said: "Our Firm takes the business of creating a welcoming, inclusive and merit-based environment seriously and I proud that our efforts have once again received this accolade from Euromoney Asia.

"I must emphasise that the work to achieve this is very much work in progress, not just in our offices, but in our homes and communities as well. Our Firm's Inclusion & Diversity Committee will continue to work hard towards keeping our Firm among the most inclusive organisations in Malaysia."
