## **Wong & Partners Advised DKSH Performance Materials in its Acquisition of AIC Ingredients**

**Kuala Lumpur, 30 March 2026** - Wong & Partners has advised DKSH Performance Materials (DKSH) in its acquisition of AIC Ingredients Sdn Bhd (AIC Ingredients), a Malaysia based manufacturer of functional food ingredients.

The addition of AIC Ingredients helps DKSH establish an important third pillar in Malaysia and strengthens its regional blending, formulation capabilities, and manufacturing presence in the region. This acquisition further reinforces DKSH's long-term commitment to provide innovative, scalable, and locally relevant food technologies to support the evolving needs of its customers. DKSH will acquire AIC Ingredients' entire business and fully integrate the company into its existing operations. The transaction is expected to close in the second quarter of 2026.

Led by Transactional Partner **Addy Herg**, our team supported DKSH's team in the full cycle of the transaction: from deal structuring, and diligence, to negotiation and finalisation of the definitive agreements.

Associates **Yee Sun Tang** and **Natalie Wong** were the other key members of our team.

Our Firm is grateful to DKSH for the opportunity to assist them on this matter, and we congratulate the team on this significant transaction.
